## Your Hometown

(The above picture is of Alcochete. Artistic liberties taken.)

What is the population of your hometown? It's okay if you don't know - just google it real quick. How many churches are in your town? Count through the ones that you frequently drive by or use google to find the answer.

The picture above shows the only church in Alcochete (that we are aware of, anyway). One church for 15,000 souls. That's a staggering number and a sobering thought.

You can share the statistics of your hometown [here](#).

On a more positive note God has already blessed our ministry. We were blessed to be a part of a missions conference at New Life Baptist Church. While we were at this conference our good friend, David Booth, had prayed that we would be encouraged when we got home. And you know what? We were. Good friends of ours had sacrificially donated money for our ministry needs. What an amazing blessing! God truly provides.

We also celebrated Elijah's 6th birthday this month. Michelle's parents were able to meet up with us near Grand Rapids and we enjoyed dinner together. It was a wonderful time and we are thankful we could all celebrate together!

Consider Luke 12:

22 And he said unto his disciples, Therefore I say unto you, Take no thought for your life, what ye shall eat; neither for the body, what ye shall put on.

23 The life is more than meat, and the body is more than raiment.

28 If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more will he clothe you, O ye of little faith?
