### The Ministry of Availability

I began my day by visiting my grandma one beautiful spring morning. Birds were chirping, there was not a cloud in the sky and a man was walking toward me. It was Bill. Bill, my uncle through marriage, told me he had been diagnosed with cancer and given only months to live. Somberly, uncle Bill said to me, "Take care of my mom."

That's exactly what I intended to do. From that point on I spent the mornings visiting my grandma drinking coffee, praying, and reading scripture with her. I had been given a very special opportunity: to share the scriptures and pray not only with my grandma, but also with her visitors.

Several months later I was given the honorable task of officiating the funeral of a beloved son, uncle, brother and marine. That day in June, before about a hundred people, I was able to share the hope that we can have if we confess our sin (1 John 1:9) and trust in Jesus Christ alone for salvation (John 14:6).

Here is where the rubber meets the road. My wife and I would not have been able to invest so much time with this precious ministry had it not been for the gracious love of offerings and monthly support that so many of you have joyfully given (2 Cor. 9:7). Thank you for helping us to be a part of the ministry of availability both here in the US and also later in Portugal.

We are so thankful for Crossroads Baptist Church for partnering with us to see churches started in Portugal and for being involved with our future and present ministry of availability.
