

THE WEARS FAMILY PRAYER LETTER & UPDATES

Finishing A Big Project

As some of you already know, we finished Michelle's CD! This was a project that took us close to three years to accomplish and we are (naturally) very excited to have it done. We are also excited to be able to share it with you! The CD is available via www.MichelleWears.com and any funds we receive from this will go towards purchasing a newer vehicle or towards moving expenses, whichever comes first. The CD has already given us opportunities to share the gospel with those around us including members of our family. We thank you for sharing in this excitement with us and our desire is that the music will be used to bring honor and glory to God.

We would also like to mention a very urgent prayer request. A few months ago we found out that Dave's uncle, Bill, has cancer. He was told he only had three to nine months to live and at this moment some of the family has gathered together thinking this may be their last time to see him. Bill is not saved. Dave has had some opportunities to share the gospel with him but he has not been very interested in hearing it. Please pray that he will accept Christ before it is too late.

We are also excited to have two new churches partnering with us financially! God continues to provide and our hearts are encouraged. Please pray with us that God will continue to provide our support!

Once again we thank you for your prayers! This past month we have mostly been in Michigan but in June we will be in Kentucky and Tennessee. Please continue to pray for safety as we travel.

We would really encourage you to like us at [facebook.com/WearsPortugal](https://www.facebook.com/WearsPortugal). We will be giving away freebies soon and you will also get instant updates that don't always make it in our newsletter.
