

# THE WEARS FAMILY PRAYER LETTER & UPDATES

## A Musical Note

As some of you may remember, last year we finished my CD and it has been so exciting to see how God has used this in our ministry! We have received emails, letters, and Facebook messages telling us how God has used these songs in your lives and we have been greatly encouraged by this.

A few weeks ago we had a meeting in Illinois. We stopped at a rest area on the way there and as the kids played on the playground (a rare find for us at a rest stop), a lady began to talk with me. Her first comments to me were about how **LOUD** my kids were so to be honest with you, I wasn't all that interested in talking with her.

But as she began to share with me her love for music, especially singing, I stopped to better listen to her. She told me that she struggled with anxiety and that music helped to calm her. I realized that God had placed her in my path for a reason (even her initial comments that I had found annoying). She shared her struggles with church, how she had been deeply hurt and basically given up on ever going back. Mostly I listened, but I did share with her that God loved her and cared for her.

At one point I tried to get Dave's attention - I needed to give this lady a copy of my CD! And this is my favorite part: I didn't even need to get his attention. I watched as he went to the van, opened the back, and walked over to us with a CD in his hand :) I'm thankful that we are on the same ministry page. Our desire is that God would continue to use this CD for his glory, to encourage others and to save souls. Please pray for Jamie as we hope to stay in touch with her.

We're also excited to tell you that **Temple Baptist Church in Kingsport, TN** has partnered with us. Thank you once again for praying for us!
