

THE WEARS FAMILY PRAYER LETTER & UPDATES

The Blessing of Friendships

The month of April was a busy yet good month for us. We traveled roughly 5,569 miles, "visited" 13 states, and slept in 8 different beds (yes, we counted). There were certainly some difficult days for us as a family (disciplining your children is never easy in the van!) but God is teaching us much about relying on His strength and grace. There was one especially difficult day for us on this trip where we were reminded of the special blessing of God's forgiveness and we were humbled that He would show us His grace and mercy. Life can be difficult at times but He is always with us, helping us, and seeing us through. We can rejoice in all things when He is on our side!

We were able to present our ministry in 10 churches with one of those being a missions conference. We were greatly encouraged by these churches and thank God for new friendships.

One of the greatest blessings on this trip was seeing some friends that we hadn't seen in quite some time. We were able to visit with Michelle's friend, Jen, from college. We had a great time together and are thankful for her friendship! We were also able to visit with the couple that led the mission team that Michelle was a part of after her college graduation. God greatly worked in Michelle's heart on this missions trip and gave her a greater burden for the lost. Reconnecting with these sweet people who love the Lord was such an encouragement to us.

We are also excited to tell you about **Faith Baptist Church of LaCrosse, WI** partnering with us! We rejoice in God's provision and in His timing. Thank you again for praying for us. We thank God for you all!
