

THE WEARS FAMILY PRAYER LETTER & UPDATES

November 2016

Espresso Updates

Primavera

The month of October and the beginning of November were pretty busy for us! We traveled too many miles to count and we were able to see several new states for the first time. We discovered that New England is very beautiful - especially in the fall - and we enjoyed our time there.

In New Hampshire we were able to visit with one of Michelle's friends. She took us to Boston for a day and introduced us to some canoli. It was delicious and Boston was a fun city!

In Massachusetts we had the opportunity to experience some Portuguese culture and food. When we discovered that Ludlow, MA had a Portuguese community we had to go and check it out! We found a small Portuguese restaurant and enjoyed a lunch of kale soup, chicken, fish, and of course, pastel de nata with coffee for dessert. After our lunch we couldn't resist a trip to the butcher shop to purchase some linguica. David's step dad, who is Portuguese, is excited that we were able to bring some back with us!

More than the food we enjoyed interacting with the Portuguese people in Ludlow. We were able to practice our broken - ahem, shattered Portuguese. We enjoyed the hospitality of those running the restaurant. There is a great need even there in Ludlow, MA for the Portuguese people to be reached with the gospel.

We are thankful for the opportunity to go to the Portuguese restaurant, Primavera. Our visit there gave us a renewed desire to reach the Portuguese people with the gospel. We are thankful for the family out of Lake County Baptist Temple in Waukegan, IL who partnered with us. We also praise God for a friend who gave us \$5,000 toward our moving expenses. Please continue to pray how God would have your church partner with our family to reach Portuguese with the gospel!
