God Glorified In Portugal!

God is doing great things in Portugal! Our friends David and Sarah Booth have been serving in Portugal for 6 years and it is exciting to see how God is using them. We want to take a moment to share some of these exciting things with you.

Some of you may remember Joana from our presentation video. She was saved a few years ago and David and Sarah, the missionaries we will be working with, have had the joy of discipling her. **Recently she and another girl, Paula, were baptized!** Family members came to see the girls baptized and many of these family members are unsaved. The gospel was clearly presented through the girls sharing their testimonies and through David's preaching. Please pray with us that Joana and Paula's family will see their need for salvation!

David and Sarah have also been able to plant a church in Montijo. The church, Montijo Baptist, began as the mission of another established church. But this past month they were able to see the church become independent - they were able to elect church officers and vote on a constitution! This is exciting news indeed! Six years ago there was no bible preaching church in Montijo. Today there is now a church where the gospel can be heard and where people like Joana and Paula can be baptized and grow in their walk with Christ. This is certainly reason for us to rejoice!

We hope this is where we will be in the next several years. We are tasked with learning a new language and culture, but we look forward to the joys of seeing people saved, baptized, discipled and a bible preaching church established in a town where there is none. We humbly ask you to join so many others, like **Jeruel Baptist Church in Munith, MI**, in partnering with us to begin this God honoring work!
