Portu-versary

Five years ago today we left for our first trip to Portugal. It's hard to believe that it has been that long! And it's exciting to look back and see how God used that trip in our lives. It was where God first gave us the desire to plant churches in Portugal and it's been exciting to see this desire continue to grow in our hearts.

We began the month of April with three missions conferences and we just heard from one of these churches that they have taken us on for support! This same month we also received the sad news that Dave's uncle had passed away. His uncle lived in Florida and because of the distance and already scheduled missions conferences, Dave was unable to attend the funeral. To not attend was a difficult decision to make; Dave's Uncle Eddie had a great influence on many lives and was known for his kindness and generosity. We are thankful that Eddie was a believer, however, and we rejoice in the fact that we will one day see him again!

A few weeks ago we met up with some missionary friends at Chick-fil-A (one of our favorite places! And we now have one in Michigan :0). Before we left the restaurant, we all walked out to the car to give our friends one of our CD's. A man overheard our conversation and asked, "Are you giving out CD's?" We told him yes, and gave him one too. This man has sent us a message telling us that he and his sons have been listening to it and that they have enjoyed it! We are always so excited to see how God is using Michelle's music in the lives of other people. We are hoping to keep in touch with this man and that we can continue to be a blessing to him and his family.

As always, we are so thankful for all of your prayers! We are now at about 52% of our needed support. In the last couple of months God blessed us with 2 new church partners, **First Baptist of Bellevue, Mi and Calvary Chapel Baptist Church of Minster, Oh** along with a small family. We are still praying that God would allow us to be in Portugal by the spring of 2018. Thank you for praying with us about this!
